LUKE 5:31 (MSG)

Crossroads Family,

What would happen if ALL OF US were ALL IN? Twenty years ago, the people of Crossroads went ALL IN on our mission to Connect People with God. The movement that followed transformed a group of 75 dreamers into a family of over 1,800 people connecting with God each week.

Today, we are surrounded by people who are desperate for the hope we have in Jesus. They are hurting. They are broken. They are outsiders. **Our community needs Crossroads.**

My dream is that Crossroads will be the place where thousands of outsiders will be invited to experience a changed life!

We are at a Crossroads. This is our moment to lead the way for the next generation and I believe that God will take us as far as we let Him. The only limit to our future impact will be the level of our generosity. Our culture of GRACE and TRUTH is resonating louder than ever, and we have an incredible opportunity – right now – to make an eternal difference in our community.

It's time to go ALL IN.

Pastor Tim

THE NEED:

Crossroads is surrounded by people who are desperate for the hope we have in Jesus.

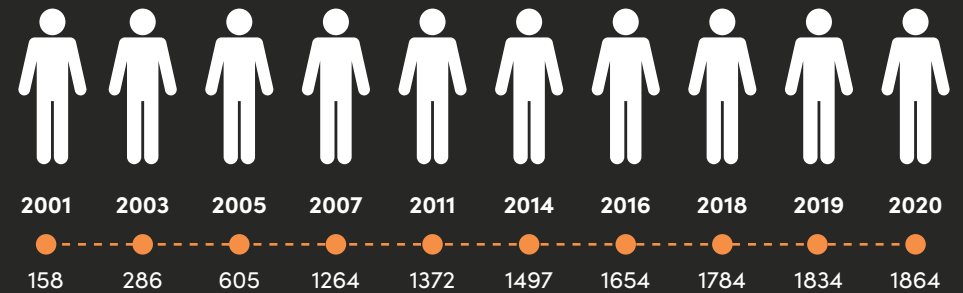

When compared to the national average, people in the surrounding communities are 90% more likely to struggle with drug and alcohol addiction, 87% more likely to struggle with depression and 50% more likely to struggle with anxiety. 1 in 3 people have no religious affiliation. Our community needs Crossroads. These are our people!

The dream is that Crossroads will be the place where thousands of outsiders will be invited to experience a changed life!

Changed Life Story: Micah Garrison

I've been coming to Crossroads for 2 years. Before that my life was a complete disaster!

In 2018, I found myself in jail because of a heroin addiction. While I was in jail, I remember being in so much emotional and physical pain that I prayed to God, "If you are real and you can hear me, I need your help!"

There were some pastors who came into the jail and taught Celebrate Recovery every week and one of the lessons they taught was called Crossroads! It's so crazy to look back at that moment because it was like God was paving this path for me right from the beginning.

This lesson was about how you are going down this path in life and you have a chance to make a turn or you can keep going and end up right back where you are right now. God was calling me to make a change. I gave my life to Jesus, but I didn't know what to do after that.

Near the end of the rehab program I was in, they wanted you to find a home church. I was nervous just coming in for the first time as a recovering addict, and the first thing I remembered was that lesson called Crossroads and I knew this was where I was supposed to be!

Within two weeks, they encouraged me to volunteer and before I knew it I was on the leadership team at Celebrate Recovery. The pastors really took the time to pour into me and I realized that I had never had someone care that much about me and invest in me as a person.

Earlier this year, we went through the "Circle Maker" series, and I remember that at the prayer and worship night I felt like God was calling me into ministry. A month later, Pastor Ashley called me and asked me if I would like to join the staff at Crossroads. That was such a life-changing moment for me, because not a lot of people can look at someone recovering from addiction and think that they have value.

Now I am on staff full-time at Crossroads helping out with Celebrate Recovery and the New Start Ministry. I get to connect people with Jesus and show them how much they are loved. That's what changed my life! The amazing thing about Crossroads is that they are not saying "You Are Loved" because it looks good on a t-shirt. They love people because Jesus loves people.

Generosity Story: Scott Pealer

We have been part of the Crossroads family for 20 years! When we first arrived the people were very welcoming - it felt like home right away. The first Sunday we attended I looked at Patsy and said, "I think we found our church!"

Right after we started attending Crossroads, I had a defining moment with God that completely changed my life.

I was at home getting ready to pay my bills and the first thing I did was write out a check for our tithe. I set it up on the table and then I went ahead and paid all of the other bills that I had to pay. When I got done, I looked at my checkbook and I realized that we had \$33 dollars left to live on for the next month.

I looked at the checkbook and I looked at my tithe, and at that moment I heard this booming voice say, "Don't worry Scott. I

will take care of you." I picked up the tithe check, put it in an envelope and brought it to the church the next day. Two weeks later we received several hundred dollars in the mail that I did not expect to get!

Because of that experience, I have learned that God is faithful. He is always with you and you can trust Him.

What excites me about Crossroads is that we are trying to reach people. We aren't really about brick and mortar. We are trying to expand the church and the church is people! I get excited about all of the kids I see at church - they love it here and they bring their parents! As our church continues to grow, I'm thrilled to be part of the Crossroads family and excited to see where God is going to take us.

WHAT WOULD IT LOOK LIKE IF EVERY PERSON AT CROSSROADS TOOK THEIR NEXT STEP IN LIVING A GENEROUS LIFE?

WHAT WOULD IT LOOK LIKE IF **ALL OF US** WERE **ALL IN**?

INITIAL GIVER

I give sporadically (what I can, when I can).

REGULAR GIVER

I give a set amount weekly or monthly.
(Online giving works best for this step)

INTENTIONAL GIVER

I look at my income and where my money goes.
I ask myself what is priority in my life.
I make adjustments and decide to give a specific faith percentage of my income to my local church (for some this is the faith step of giving 10%).

RADICAL GIVER

I dream about my opportunity to leave a legacy of generosity.
I want to give all that I can to see changed lives and to build eternal relationships.
I regularly give offerings in addition to 10% of my income.
I ask myself, "What do I need to live on?"

Generosity Story: Luke and Jaimie Handyside

We've been members here at Crossroads for 5 years. We love worshipping here and love the Crossroads family! One of the first things we noticed about Crossroads was how welcoming it was. It was a diverse crowd, but everyone was on the same page and we never felt like we were being judged when we walked in.

We started out by coming pretty regularly and giving on the weekends we came, but when we attended the Best Week Ever, we saw how lives were being changed and that's what really hooked us on Crossroads.

We were down in Tampa right after the St. Pete campus opened, so we made plans to stop in and attend the weekend we were there. Pastor Remington was awesome - he took us around, told us the story about the church, and how many people it was impacting in the community. When we saw the vision for that community and how much potential there was to duplicate what we've been doing in Goshen, we realized we wanted to be a part of that!

We believe that giving to the church is really important because it's all about being obedient to God. He has given us everything we have and we've always had the idea that we've been blessed so that we can be a blessing to others. Whether we have a lot or a little, we should give what we can, and we've never regretted giving! It might be hard at first, but God knows your heart and that's what we want to stay focused on.

THE ALL IN COMMITMENT CARD

MY GIVING POTENTIAL

With regular, intentional giving we have a great opportunity at Crossroads to offer a changed life!

Our goal for ALL IN is for 100% of the Crossroads family to participate in this season of spiritual growth and generosity. Filling out a commitment card is a deeply spiritual moment that provides an opportunity for you to step out of your comfort zone and take a next step in your faith.
